Class of 1941

Good Evening - My name is Helen Black Thompson and on behalf of my classmates, we would like to thank you for honoring our class this evening. We would also like to extend a welcome to the Class of 1991. We wish you well in all the challenges that the future will pose to you.

The Class of 1941 is very proud to have graduated from Tallmadge High School. Little did we know of all life had in store for us. We have seen entertainment change from inter-sanctum on the radio to the most recent movies shown at home on the VCR. Medicine has given us a range of cures, from penicillin and polio vaccines to lazer heart surgery. Communication has emerged from the U. S. Mail and telephones to Fax Machines. We have witnessed a man on the moon and seen satellite pictures from Saturn. We have survived four major wars and too many world-wide conflicts to mention. Technology has led us from B-17's, B-24's, B-25's P-38's and p-51 Mustangs to the Stelth, Braums Tanks, Patricts and Nuclear Submarines. Typewriters have stepped aside to the infant computer and all it has yet to give us. Sounds like more than 50 years have passed, doesn't it?

Within our Class, we have had many accomplishments and to recognize all tonight would be impossible. However, our range goes from a Mother of 8 children, 23 grandchildren and 14 great grandchildren to successful, Bankers, Ministers and Managers from an assorted range of fields.

Of our 55 Class Members, 9 are still Tallmadge Residents, 16 are within Ohio's borders, 17 are scattered about the U. S. from California & Oregon to Florids. We were unable to locate

only 2 of our classmates. We feel very fortunate in that all of the Boys in our class served during WWII and all returned home, only 2 with serious injuries. We at the same time, are saddened by the deaths of 13 of our classmates since graduation and will keep them in our hearts during our reunion.

Last Night, the Class of 1941 celebrated and socialized over dinner. We are looking forward to a picnic tomorrow with much more reminiscing. We are proud to have been a part of the Tallmadge Schools and we continue enjoying its numerous successes. Thank you for your fellowship this evening.

The Country was involved in World War II. A scarcity of school teachers prevailed- no teacher was available to coach for either football or basketball-those sports had to be omitted from the school program for 1942-1943.

In 1943 Mr. Eugene Smith joined the teaching staff as principal. That was when Mr. McCobb became Superintendant.

Mr. Smith coached the football team and the basketball team through a tough schedule in the fall of 1945. The football team was tied for Summit County Championship and the basketball team was Summit County Champion. He continued as Principal through 1948-1949. We couldn't hold him. He left at the close of the 1948-1949 year and went to Wooster.

Eugene Smith died Nov. 17, 1990 at the age of 88 years.

There's an open gate
At the end of the road
Through which each must go alone,
And there in a light we cannot see
Our Father claims His own;
Beyond the gate your loved one
Finds happiness and rest
And there is comfort
In the thought
That a loving God knows best
